## Approved For Release 2005/05/02 : CIA-RDP78B04770A002300030021-2

| 25X1        | 6) as well as the semi-annual Status Report for the period ending I hovember 1965, were received this period. All reports were incorrectly mailed.  Appropriate individuals at were notified. | c   |
|-------------|---|-----|
|             | On 10 December, visited this  | 25X |
|             | Center and discussed further details of their proposed "Spatial Spectrum  | ,   |
|             | Analyzer" with  | 25X |
|             | not available to evaluate the proposal, an appointment was made for him   | ,   |
| 25X1        | and on 19 December for this purpose.  |     |
|             | On 19 December, Setembive   | 25X |
|             | discussion of their proposed "Spatial Spectrum Analyzer" followed. A  | -   |
|             | preadmont was demonstrated in their clean room area. The total proposed   |     |
| : <b>44</b> | cost of the system was approximately  | 25X |
| 25X1        | The work to date in somewhat disappointing in that relatively   |     |
|             | little inventiveness and ingenuity is evidenced. A long hard look will be   |     |
|             | required before a decision on the direction of this research can be rendered  | i.  |
